NSW Department of Education

Content requests

Book a job with the content team to get support (**public facing content only**) to write great content, follow accessibility, edit your education.gov.au web pages, and get advice on your web infrastructure architecture and content best practice.

Before you lodge a ticket

This Zendesk queue is for **public-facing content only**. Business units are responsible for their internal (intranet) content.

If you are seeking advice about how to **create great content** please check out our **Checklist for updating your web pages**.

If you are needing **help with AEM components** please check out these **How-to guides** before raising a ticket.

Need a page created?

If you require a new page (and your team is unable to create for you) please make sure you provide all required information in the Zendesk content request form.

Lodge your content request

Skills NSW content request

We have a dedicated ticket queue for all Skills related content. It is managed by the Skills NSW SMEs and is the best queue for any Skills related requests.
